ORDER:

In the Government Order first read above, the Government ordered the hiring of a consultancy firm to develop and implement Web based HMIS in all secondary care hospitals. Accordingly a web based comprehensive HMIS is being implemented. The Project Director, Tamil Nadu Health Systems Project has stated that M/s. Tata Consultancy Services has developed the software and implementation is completed in 5 pilot hospitals and 40 Phase I hospitals.

2. In the Government Order second read above, the Project Director, Tamil Nadu Health Systems Project has been permitted to implement Phase I of the comprehensive web based Health Management Information System in 30 hospitals in 5 districts, 5 PHCs, 20 offices of the Joint Director of Medical and Rural Health Services except the office of the Joint Director of Medical and Rural Health Services, Karaikal, Kanyakumari and Vellore.

3. In the reference third read above, the Government accorded 'in principle' approval for establishment of comprehensive HMIS under phase II in 220 secondary care hospitals and their controlling offices namely offices of the Joint Director Medical and Rural Health Services and the Directorate of Medical and Rural Health Services and 1-15 designated Primary Health Centres and directed the Project Director, Tamil Nadu Health Systems Project to send proposals to the State

Empowered Committee again for this purpose, after receipt of appropriate funding to cover the entire cost of the HMS3 phase II proposal.

4. Since the Additional financing has now been sanctioned by the World Bank, the Project Director, Tamil Nadu Health Systems Project has placed a proposal before the State Empowered Committee in the meeting held on 03.08.2010 for implementation of Phase II HMS3 and the procurement of hardware and connectivity. The State Empowered Committee has approved the proposal. The Project Director has requested the Government to issue orders in the matter.

5. The activity of establishment of web based Health Management Information System in all secondary care hospitals and some Primary Health Centres is an approved activity by the World Bank and included in Component III subcomponent A in the project implementation plan.

6. The Government, after careful examination of the proposal, passes the following orders.

- (i) The Project Director, Tamil Nadu Health Systems Project, is permitted to implement Phase II of the comprehensive web based Health Management Information Systems in 220 hospitals in 220 secondary care hospitals and their controlling offices namely offices of the Joint Director Medical and Rural Health Services and the Districts of Medical and Rural Health Services as detailed in Annexure I in this order and in 15 designated Primary Health Centres to be identified by the Project Director, Tamil Nadu Health Systems Project during the actual implementation.
