ORDER:

In the Government Order 1st read above, the Government, among others, ordered that Health Management Information System (HMIS) shall be implemented in 47 Health Institutions under the control of Director of Medical Education in the Office of the Director of Medical Education, Hospital Management System in 2 Hospitals viz Rajiv Gandhi Government General Hospital, Chennai and Government Thanjavur Medical College Hospital, support and completion of Hospital Management System implementation in 4 hospitals viz. RSRM Lying-In Hospital, Institute of Social Obstetrics and Kasturba Gandhi Hospital for Women and Children, Institute of Child Health and Hospital for Children and Institute of Obstetrics and Gynaecology and Government Hospital for Women and Children, Chennai, College Management System in 19 Government Medical Colleges, and an University Automation System in Tamil Nadu Dr. MGR Medical University, Guindy, Chennai. The Government also accorded sanction for incurring an expenditure of Rs.474.00 lakh towards payment to M/s Tata Consultancy Services for designing, developing and implementing Health Management Information System in hospitals under the control of Director of Medical Education, Office of the Director of Medical Education, along with development and implementation of College Management Software for 19 Government Medical Colleges and Tamil Nadu Dr.MGR Medical University, integrating College Management System with University Automation System and providing application maintenance for a period of 3 years for Phase I, Phase II and Phase III Health Management Information System.

2. In the Government Orders 2nd read above, the Government accorded approval for extension of the existing Health Management Information System Phase III software development and Phase I Software Application Maintenance Cost contract signed with M/s Tata Consultancy Services, for the further period from 07.07.2014 to 30.09.2014, in connection with the implementation of Health Management Information System Phase III activities.

3. The Principal Secretary / Project Director, Tamil Nadu Health Systems Project has stated that since the initiation of training for Health Management Information System Phase III institutions was very crucial in completing the Health Management Information System implementation, the project entered into a contract on Single Source Selection methodology approved by World Bank, with the existing application developer M/s Tata Consultancy Services for providing training for Health Management Information System III institution and continued application maintenance support. The contract was signed on March 7, 2015, retrospectively covering the activities from 01 October 2014 and the payments to the tune of Rs. 1,23,59,598/- were made to the application developer as per the contract, after getting due directions from the Government. The Principal Secretary / Project Director has proposed for ratification of the action of Tamil Nadu Health Systems Project for entering into a contract with the application developer M/s Tata Consultancy Services and release of payments, in order to complete the crucial Health Management Information System Phase III implementation as per the benchmarks set by the World Bank.

4. The Principal Secretary / Project Director, Tamil Nadu Health System Project has proposed to identify a consultant firm for Annual Technical Support (ATS), through competitive process with the following scope of work

- a. Annual Technical Support for Health Management Information System application (HMS / MIS / CMS / UAS / college website)
- b. Health Management Information System server environment management

5. He has also stated that the existing application developer need to exist in parallel during the initial phase of the consultant firm for Annual Technical Support, for the transition of the Health Management Information System application from the existing application developer to the consultant firm. The process for identification of the consultant firm has been initiated and is expected to be completed in 6 months' time. The contract with the existing application developer is valid till 15th September 2015. It is proposed that the contract with the existing application developer may be extended for a period of six months from 16th September 2015 to continue the application / server support till the consultant firm takes over and to support the transition of the Health Management Information System application to the consultant firm. Accordingly, the Principal Secretary/ Project Director, Tamil Nadu Health Systems Project had placed the following proposals before the State Empowered Committee in the meeting held on 13.07.2015.

- i) to Sanction a sum of Rs.3,13,50,000/- (inclusive of service tax @ 14%) for entering into a contract with the existing Health Management Information System application consultant firm M/s.Tata Consultancy Services for the period up to 15.09.2015

through Single Source Selection methodology to cover the training of end users and continued application maintenance and server management support

ii) to ratify the action of the Tamil Nadu Health Systems Project in contracting M/s. Tata Consultancy Services on Single Source Selection and making the payments as per the contract from the identified project funds, for the application maintenance support and to initiate training in the institutions where the provisioning of HMIS Phase III hardware has been completed from 1st October 2014 upto 15th September 2015.

iii) for extension of the contract with the existing application developer for a further period of 6 months from 16.09.2015 to continue the application / server support till a new consultant firm takes over, and to sanction Rs.57.00 lakhs for the purpose from the State Government funds.

6. The State Empowered Committee approved the proposals. The Principal Secretary / Project Director, Tamil Nadu Health Systems Project has requested the Government to issue orders in the matter.

7. The above activity has been approved by the World Bank and comes under Component III and Sub – Component A and the expenditure is eligible for reimbursement from the World Bank for the period up to 15.09.2015.

8. The Government, after careful consideration, accord sanction for incurring an expenditure of Rs. 3,13,50,000/- (Rupees three crore thirteen lakh and fifty thousand only) inclusive of Service Tax (14%), for entering into a contract with the existing Health Management Information System application consultant firm M/s Tata Consultancy Services for the period up to 15th September 2015, through single source selection methodology. This new contract will cover the training of end users on HMS OP workflow and MIS refresher training in 46 Director of Medical Education institutions and CMS training in 20 Government Medical Colleges and continued application maintenance and server management support for Health Management Information System (HMS / MIS / CMS / UAS / college website) for the period up to 15th September 2015.

9. The action of the Principal Secretary / Project Director, Tamil Nadu Health Systems Project in having contracted M/s Tata Consultancy Services on Single Source Selection and making payments as per the contract from the identified project funds, which was approved by World Bank, for the application maintenance support and having started training in the institutions where the provision of Health Management Information System Phase III hardware has been completed during the period from 1st October, 2014 and upto 15th September 2015 is ratified .

10. The Project Director, Tamil Nadu Health Systems Project is permitted to pre close the contract with the existing application developer once the new consultant firm has been identified, provided handholding by the existing application developer and is capable of maintaining the application.

11. The expenditure sanctioned in para – 7 above shall be debited to the following Head of Account

"2210 – Medical and Public Health – 01 – Urban Health Services –
Allopathy 800 – Other Expenditure – Schemes in the Twelfth Five Year
Plan – II – State Plan – PA – Tamil Nadu Health System Society – 09
– Grants in aid – 03 – Grants for Specific Schemes.
(DP C 2210 – 01-800-PA – 0939)".

12. This order issues with the concurrence of the State Empowered Committee constituted in G.O. (Ms).No.28, Health and Family Welfare Department, dated 28.02.2005 and Finance Department vide its .U.O. No. 49128/Health II/2015 dated 10.9.2015.
