ORDER:

The Mission Director, State Health Society in his letter fifth read above has stated that dental caries is a significant public health problem among the population giving a cue for the need of an extensive system to provide primary oral health care in the rural areas of Tamil Nadu. The revised IPHS norms for Community Health Centres has included dental care and treatment as an optional service. Now dental care and treatment is being provided through the existing 230 dental units established in 22 Sub District Hospitals and 208 Community Health Centres during the last 4 years under National Rural Health Mission. In Government Order first read above orders have been issued for the continuance of the Model Dental Programme in 32 Primary Health Centres (PHCs) for the year 2007-08 and 2008-09 and orders have been issued in Government Order second read above for strengthening of dental services in 43 Upgraded Primary Health Centres (PHCs) under National Rural Health Mission. The dental services have been strengthened in 73 Upgraded PHCs during the year 2009-10 in Government Order third read above, The Government have approved dental services in 60 Upgraded

Primary Health Centres (PHCs) during the year 2011-12 in Government Order fourth read above.

2) The Mission Director, State Health Society has also stated that at present 208 Primary Health Centres are providing dental services from Monday to Thursday during the morning OP and on Friday and Saturday between 2.00 p.m and 5.00 p.m to attend children referred from the School Health Programme. As per the Indian Public Health Standard (IPHS), dental services are to be provided in the institutions which are having more than 30 beds. In order to provide dental service with dentist at one per block level (one lakh population), 65 Primary Health Centres indicated in the Annexure have been proposed in the Project Implementation Programme (PIP) 2012-13 and approved by National Programme Coordination Committee of National Rural Health Mission, New Delhi. The proposal has been approved in the 19th Executive Committee meeting held on 24th June 2012. It is now proposed to continue the dental services in the 208 Upgraded Primary Health Centres and 22 Taluk and Non-taluk Hospitals created during the last 4 years under National Rural Health Mission. All these rural dental units will function for 3 hours a day from Monday to Saturday. The dental surgeons will be paid Rs.500 per session and the dental assistants will be paid Rs.250 per session approved under Government of India National Rural Health Mission flexi pool as per the PIP for the year 2012-13. The budget for the establishment of 65 dental units in the year 2012-13 is given below:
