ORDER:

The Project Director, Tamil Nadu Health Systems Project in his letter third read above has stated that under the World Bank supported Tamil Nadu Health Systems Project, the Non Communicable Diseases (NCD) intervention programme was piloted during 2007 – 2010 in four districts and based on the experience, the programme was expanded to all the 32 districts in Tamil Nadu in two phases. The Project Director, Tamil Nadu Health Systems Project has stated that the funding for the Non Communicable Diseases (NCD) intervention programme, a component of the Tamil Nadu Health Systems Project, from World Bank closed by 15.09.2015, but the programme has to be sustained to provide the most needed service to the people in the years to come. Meanwhile, the Government of India has announced to expand the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular

Disease and Stroke (NPCDCS) to cover all the districts as part of the 12th Five Year Plan and come forward to support the above programme. The National Rural Health Mission have released funds of Rs.18.066 crore for the Financial year 2014-15 in March 2015 to undertake National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Disease and Stroke (NPCDCS) activities in Tamil Nadu.

2. The Project Director, Tamil Nadu Health Systems Project has also stated that the Mission Director, State Health Society had circulated a proposal to the Executive Committee of National Rural Health Mission to continue the existing State and District Non Communicable Diseases (NCD) Cells of the Tamil Nadu Health Systems Project as State cell and District cell for National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Disease and Stroke (NPCDCS) pool with certain staff sanctioned by the Government of India and for the continuation of 2432 Non Communicable Disease Staff Nurses sanctioned under Tamil Nadu Health Systems Project to the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Disease and Stroke (NPCDCS) programme. He has requested the Government to issue necessary orders.

3. The Government after careful Examination of the proposal of Project Director, Tamil Nadu Health Systems Project issue orders as follows:-

(i) Sanction is accorded for the creation of the following posts to the State Non Communicable Diseases (NCD) Cell and District Non Communicable Diseases (NCD) Cell for implementing the National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Disease and Stroke (NPCDCS) National Programme for Health Care of the Elderly (NPHCE) and other NCD Programmes.

(i) State NCD Cell
