The Hon'ble Minister for Health and Family Welfare Department has announced on 14.6.2018 on the floor of Assembly that Medical Officer and other Para Medical Staff will be provided to 10 Government Medical College Hospitals of Theni, Tiruvannamalai, Thiruvallur, Sivagangai, Pudukkottai, Karur, Chengalpattu, Kanyakumari, Thoothukudi and Dharmapuri and 13 District Headquarters Hospitals at Cuddalore, Virudhunagar, Krishnagiri, Namakkal, Ariyalur, Nagapattinam, Perambalur, Udhamandalam, Dindigul, Erode, Tiruppur, Ramanathapuram and Tiruvallur for establishing Geriatric Units at a cost of Rs.5.12 crore.

2. Tamil Nadu is experiencing a demographic transition as a by-product of increasing life expectancy and declining fertility rate resulting in increasing elderly age group (above 60 years of age). Population Census 2011 reveals that 10.4 % of the state's population is elderly against the national average of 8.6%. They suffer from various degenerative disorders that render them dependent and vulnerable. Further, the level of attention given to these patients in a healthcare facility is often poor when treated along with non-elderly group. To address these issues, exclusive geriatric care units are established at district level hospitals to provide 'elderly oriented' preventive, curative and rehabilitative services under National Program for Health Care of Elderly (NPHCE).
