2. From the Mission Director, State Rural Health Mission, Letter No. 547 / E / SHS / 07 dated 13.2.2008.

ORDER:

The Mission Director, State Rural Health Mission has informed that Deafness is amongst the top 10 causes of morbidity in the world (WHO 2003). The prevalence of auditory impairment is estimated at 6.3% in Indian population. As per NSSO survey, currently there are 291 persons per one lakh population who are suffering from severe to profound hearing loss (NSSO, 2001). Of these, a large percentage is children between the ages of 0 to 14 years. Out of this 50% is preventable. The Government of India has set up a Programme for Prevention and Control of Deafness with the goal to prevent and control major causes of hearing impairment and deafness, so as to reduce the total disease burden by 25%, in the districts covered, by the end of Eleventh Five Year Plan. As per Government of India guideline the scheme will be implemented in phased manner and is being piloted in three districts namely, Vellore, Villupuram and Thanjavur. The Government of India has released a sum of Rs.31.83 250/- towards implementation of this programme.

2. The objectives and main components of the National Programme for Prevention and Control of Deafness (NPPCD) are as follows:-

Objectives.

- (i) To prevent the avoidable hearing loss on account of disease or injury.
- (ii) Early identification, diagnosis and treatment of ear problems responsible for hearing loss and deafness.
- (iii) To medically rehabilitate persons of all age groups suffering with deafness.

1

- 3-
- (iv) To strengthen the existing inter- sectoral linkages for continuity of the rehabilitation programme, for persons with deafness
 - (v) To develop institutional capacity for ear care services by providing support for equipment and material and training personnel

Main Components

Manpower Training and Development

- Capacity Building
- Service provision including Rehabilitation
- Awareness Generation Through IEC Activities

3. The Mission Director, State Rural Health Mission has further stated that the State Nodal Officer and District Nodal Officers for Vellore, Villupuram and Thanjavur have been nominated to co-ordinate NPPCD activities in the State and pilot districts.

4. Based on the guidelines issued by the Government of India and as approved in the Third Executive Committee Meeting held on 7.2.2006, the Mission Director, State Rural Health Mission has requested the Government to issue orders for constitution of Sub-Committee at State and District Level for the NPPCD
