Order:

During the Health and Family Welfare Department review on 3.7.2011, Hon'ble Chief Minister suggested the establishment of Urban Primary Health Centres in small urban towns under the Directorate of Public Health and Preventive Medicine. The following announcement has been made in the Budget 2011-12:

"This Government will specially focus on the improvement of the Primary Health care facilities in urban areas as they are inadequate at present. We will also improve facilities for tertiary care and super speciality treatments. As already announced, the Urban Health Centers functioning in urban areas under the control of urban local bodies will be provided with three staff nurses to provide 24x7 care on par with the PHCs in rural areas. The administrative and technical responsibility for running 60 Urban Health Centers sanctioned under National Rural Health Mission will be brought under the Directorate of Public Health and Preventive Medicine and provided with adequate staff and equipment. It is also proposed to establish Urban Primary Health Centers through the Directorate of Public Health and Preventive Medicine to cover 75 more small urban towns with less than one lakh population which are not having any Primary Health care services."

2) In G.O. first read above, orders were issued for the establishment of Urban Primary Health Centres in 60 Municipalities under National Rural Health Mission and these centres have not started functioning due to non-filling up of posts. The Director of Public Health and Preventive Medicine in his letter second read

above has sent proposals for the establishment of 135 Urban (60 already sanctioned and 75 new Urban Primary Health Centres) in small urban towns under his control. He has stated that already Urban Health Posts were established in six Municipal Corporations including Chennai and 24 Major Municipalities during the World Bank Aided IPP-V Project; eight Municipalities in Madurai and Theni Districts (viz. Melur, Thirumangalam, Usilampatti, Bodinaickanur, Theni-Allinagaram, Periyakulam, Chinnamanur and Cumbum,) vide G.O. (Ms) No.139, Health and Family Welfare Department, dated : 31.03.1999 under RCH Sub Project and six Municipalities (viz, Ambattur, Avadi, Madhavaram, Dharmapuri, Tiruchengode and Komarapalayam) vide G.O. (2D)No.13, Health and Family Welfare Department, dated : 09.03.2005 under RCH-II Project. He has further stated that among the 14 Urban Primary Health Centres sanctioned under RCH I&II, certain Urban Primary Health Centres are not fully functional due to the inadequate staff. The Director of Public Health and Preventive Medicine has therefore requested Government orders to take over 60 Urban Primary Health Centres sanctioned to 60 Municipalities under NRHM in G.O first read above on 'as is where is basis' under his control and for the establishment of 75 new urban Primary Health Centres in the uncovered Municipalities / Small urban towns with less than one lakh population as announced in the Budget 2011-12. The Local body will be responsible for providing rent / rent free building (preferably rent free building belonging to Local body) for running the Urban Primary Health Centres .

3) The Director of Public Health and Preventive Medicine has indicated the details of requirement of staff and budget for establishment of Urban Primary Health Centres during the year 2011- 2012 after consulting the Commissioner of Municipal Administration and Director of Town Panchayat. In few Municipalities, Health Centres are functioning under various schemes with different staffing pattern and they are drawing salary from Municipal fund. These staff may continue to work on deputation in the new Urban Primary Health Centres and draw salary from the Municipal funds. The gap in the staffing pattern in the above few Municipal Health Centres will be filled up as per Urban PHC norms. He has stated that the Mission Director, NRHM has been requested to provide necessary funds for drugs and other maintenance cost to these Urban Primary Health Centres under National Rural Health Mission . If National Rural Health Mission funding is not available, the expenditure may be met from the State funds. The Director of Public Health and Preventive Medicine has requested the Government orders for administrative and financial sanction to establish 135 Urban Primary Health Centres; for handing over of the 60 Urban Primary Health Centres established vide G.O.(Ms).No.103, Health and Family Welfare Department dated 15.4.2010 to his control on "as is where is basis" by the Municipal Administration Department for filling up the posts required for establishing the new urban Primary Health Centres and also for filling up the staff vacancies against the Urban PHC norms as in the case of Municipal staff as and when the vacancy arises, though the funding will be from Municipal funds.

4) The Director of Public Health and Preventive Medicine has also stated that the post of Medical Officer may be sanctioned on time scale of pay (Pay Band - 15600-39100-PB3+GP 5400) and the posts of Pharmacist, Lab Technician Gr. III and MPHWF / ANM may be sanctioned on consolidated pay on contract basis of Rs.12,000/-, Rs.8,000/- and Rs.8,000/- per month respectively. Wages may be fixed to Hospital Worker and Sanitary Worker as per the rate fixed by the District Collector's concerned. He has proposed the rate of Rs.138/- per day towards Daily Wages for the post of Hospital Worker and Sanitary Worker based on the Daily Wages paid by the District Collector. He has requested the Government to accord

- (iv) Permission is accorded to the Director of Public Health and Preventive Medicine to fill up the above sanctioned posts through the Medical Services Recruitment Board. The staff already working in the Urban Health Centres in certain Municipalities will continue to work on deputation in the Urban Primary Health Centres and draw salary. The gap in the staffing pattern in the above Municipal Health Centres shall be filled up under Urban PHC norms and the Director of Public Health and Preventive Medicine is permitted to fill up the staff vacancies as per the Urban PHC norms as and when the vacancy arises. Medical Officer posts shall be filled up in time scale of pay and the posts of Pharmacist, Lab Technician Grade-III and Multi purpose Health Worker (Female) (MPHW(F) / ANM be filled up on consolidated pay on contract basis as shown in the Annexure-II to this G.O. Wages to the post of Hospital Worker and sanitary worker shall be fixed as per the rate fixed by the concerned District Collector.
- (v) The Mission Director, State Health Society shall release the funds to District Health Society from National Rural Health Mission for the 60 Urban PHCs and salary shall be distributed through DDHS. The salary shall be drawn from State funds through Treasury by the Revenue District DDHS and released to the staff through the District Health Society for the newly formed 75 Urban Primary Health Centres till the salary amount is sanctioned from NRHM. The Mission Director, State Health Society is instructed to take action to include the salary component under National Rural Health Mission.
- (vi) Sanction is accorded for incurring an expenditure of Rs.18.1681 crores (Rupees Eighteen crores, sixteen lakhs and eighty one thousand only) to incur recurring expenditure of Rs.17.0731 crores towards salary, medicine, equipments, etc., and rent and non recurring expenditure of Rs.1.095 crores towards furniture, Stores and equipments, Computer and Telephone etc. as indicated in the Annexure-III to this Government Order.
