1. G.O.(Ms)No.123, Health and Family Welfare , dated: 09.05.2014.
2. From the Mission Director, State Health Society letter No.6874/NUHM/SHS/2016, dated: 10.09.2016.

ORDER:

In the Government order first read above orders have been issued permitting the Mission Director, State Health Society to launch and implement the "Rashtriya Bal Swasthya Karyakram"(RBSK) programme in all the 31 Districts of the State except Chennai District, to provide Screening and Early intervention Service to all the children from 0-18 years for four Ds – Defects at birth, Diseases, Deficiencies and Developmental delays including disabilities as per Government of India Guidelines.

2. The Mission Director, State Health Society in the letter second read above has stated that in continuation of the existing "Rashtriya Bal Swasthya Karyakram" (RBSK) scheme under National Rural Health Mission, Government of India has permitted to introduce the "Rashtriya Bal Swasthya Karyakram" (RBSK) scheme in Greater Chennai Corporation under National Urban Health Mission (NUHM) in Tamil Nadu. In order to further reduce the Maternal Mortality Rate, Infant Mortality Rate and under-5 mortality in Greater Chennai Corporation, proposal for provision of funds for implementing the "Rashtriya Bal Swasthya Karyakram programme" (RBSK) in Greater Chennai Corporation areas for children between 0-18 years was included in Programme Implementation Plan (PIP) 2016-17 under National Health Mission and the same was approved by Government of India. Subsequently by the Executive Committee of State Health Society in the meeting held on 14.07.2016.

3. The Mission Director, National Health Mission has further stated that 15 Mobile Health Teams in Greater Chennai Corporation will be engaged to conduct screening of children (0-18 years) within the jurisdiction of the corporations. The number of teams may vary depending on the number of Anganwadi Centres, difficult to reach areas and children enrolled in the Corporation/Government and Government aided school in the Corporation limit. The screening of children in the Anganwadi Centres would be conducted atleast twice a year and atleast once in a year for school children to begin with. Each Mobile Health Team will consist of 2 Medical Officers, among which 1 Women Medical Officer is mandatory, 1 Staff Nurse and 1 Pharmacist. Whenever necessary the services of the health care personnel/logistics under various schemes like Kannoli Kaappom Thittam, Comprehensive School Dental Scheme and Congenital Defects screening programme implemented under Non Governmental Organisations will be integrated with the scheme.
