3. From the National Health Mission, Tamil Nadu Letter No7595/State Health Society/NUHM/2014, Dated: 25.05.2018.

ORDER:

The Hon'ble Minister for Health and Family Welfare Department has announced on 14.6.2018 on the floor of Assembly that Rashtriya Bal Swasthya Karyakram (RBSK) will be implemented in 3 Corporations namely Vellore, Tirunelveli and Dindigul.

2. In continuation of the existing Rashtriya Bal Swasthya Karyakram scheme under National Health Mission, Government of India has granted permission to introduce the Rashtriya Bal Swasthya Karyakram scheme in Municipal Corporations under National Urban Health Mission in Tamil Nadu, which are not covered as of now under National Rural Health Mission (NRHM).

3. In the Government Order first read above, orders have been issued for implementing the Rashtriya Bal Swasthya Karyakram (RBSK) programme in all the 31 Districts of the State, except Chennai District to provide Screening and Early Intervention Service to all the Children from 0-18 years for four Ds- Defects at birth, Diseases, Deficiencies and Developmental delays including disabilities as per Government of India guidelines.

4. In the Government Order second read above, orders were issued for implementation of Rashtriya Bal Swasthya Karyakram (RBSK) in 5 Municipal Corporation (Coimbatore, Madurai, Salem, Tirupur, Trichy) and Greater Chennai Corporation in order to further reduce the Measles, Mumps and Rubella (MMR), Infant Mortality Rate (IMR) and under 5 mortality in Tamil Nadu.

5. In continuation of this, it is now proposed to implement the Rashtriya Bal Swasthya Karyakram (RBSK) in 3 Corporations namely, Vellore, Tirunelveli and Dindigul by providing 8 Mobile Health Teams.

6. The above proposal has been included in the Programme Implementation Plan and approved in Record of Proceedings 2018-19 by the Government of India. The programme under this Scheme and the fund provisions approved are as follows:

PROGRAMME IN DETAIL:

The following are the initiatives under Rashtriya Bal Swasthya Karyakram that is to be rolled out in all the corporations of the State to reach all the target groups:

1. Screening:

a) New born:

Facility based new born screening at all delivery points by existing health manpower.

b) Children - 6 weeks to 18 years:

(6 weeks to 6 years) - Anganwadi Center, (6 to 18 years) - Government and Government-aided school - based screening by dedicated Mobile Health Teams.

2. Treatment and follow up

Treatment for the children and students for minor ailments will be provided by the mobile health team.

3. Operationalization of the programme

- i. In Tamilnadu 770 Rashtriya Bal Swasthya Karyakram Mobile health teams are functioning in rural areas to cover Government and Government aided schools for screening and management of 4 Ds- Defects at birth, Diseases, Deficiencies and Developmental delays including disabilities in target age group of 0-18 years
- ii. To cover Greater Chennai Corporation schools and Anganwadi centre, 15 teams and 12 teams to cover other 5 corporations. In other corporations urban schools are being covered by the rural Rashtriya Bal Swasthya Karyakram teams in addition to rural schools. As per Government of India guidelines Anganwadis are to be covered twice and schools need to be covered once. Hence Rashtriya Bal Swasthya Karyakram Mobile Health Teams are facing difficulty in covering urban schools.
