ORDER:

Hon'ble Chief Minister among others has announced on the floor of Assembly, under Rule No.110 of Tamil Nadu Legislative Assembly on 19.02.2016 as follows:-

“பணி மூப்பு அடிப்படையில் 605 கிராம சுகாதார செவிலியர்களுக்கு பகுதி சுகாதார செவிலியர்களாக பதவி உயர்வு வழங்கப்படும்”

2. The Director of Public Health and Preventive Medicine in his letter third read above has stated that the existing pattern under the School Health Programme are more field oriented including Medical Officer, Village Health Nurse, Sector Health Nurse and Health Inspector to provide the School Health Services. Sector Health Nurses are well trained in field Health Services including Health Education and that the Sector Health Nurses are more suitable for the School Health Programme. Since Sector Health Nurses are field level staff involved in services like Immunisation, Health Education and follow-up visits, it will be very helpful for the effective functioning of the mobile medical teams of the RBSK and requested the Government for creation of 385 Sector Health Nurse posts in time scale.

3. The Government after careful examination have decided to accept the proposal of the Director of Public Health and Preventive Medicine and accordingly sanction 385 (Three hundred and eighty five) posts of Sector Health Nurses in regular time scale of pay of Rs.9300-34800- with GP 4200 subject to the following conditions:-

- a. The School Health Programme staff should be surrendered and redistributed in the existing vacancies.
- b. Sector Health Nurse salary of Rs.35,000 per month shall be included in Programme implemented Plan of National Health Mission for 2016-17 for the 605 posts including the 220 posts created in the G.O cited 4 read above.

4. The Mission Director is directed to remit the salary component of the Sector Health Nurse (the post surrendered in the Government Order second read above + funds from NRHM for 385 Staff Nurses) to the State Government Receipt Account.

5. As per the procedure followed in similar instance, the Director of Public Health and Preventive Medicine is requested to meet the expenditure towards the salary component of the 385 Sector Health Nurse with the provisions available under the existing salary head.
