Read:

1. G.O. (Ms).No.230, Health, dated 04.09.2001.
2. G.O. (Ms). No.32, Health, dated 04.02.2014.
3. G.O.(Ms) No.46, Health, dated 17.02.2014.
4. From the Director of Medical and Rural Health Services, Letter No.22143/N1/2/2013, dated 10.06.2014.

ORDER:

In the Government Order first read above, orders have been issued among others as follows:

"The Government permit the Director of Medical Education and Director of Medical and Rural Health Services to fill up the regular vacancy after 2 years, from among the above contract basis Nurses, according to the seniority without reference to Government. Nurses appointed on consolidated pay shall be brought into regular time scale, only, with reference to the vacancies in the regular time scale post of Nurses arising after two years and they shall not be brought to regular time scale as an automatic conversion after completion of two years."

2. The Director of Medical and Rural Health Services has stated among others that based on the above said Government Order, nurses appointed on contract basis shall be brought into regular time scale of pay, after completion of two years, subject to availability of regular vacancies. But, at present the contract period extends more than 3 years due to non availability of regular vacancies. Since the vacancies of regular Nurses arise due to retirements, promotion to higher posts, voluntary retirement and deaths, etc., every year is below 500, the regular absorption are meagre and not in bulk. He has also stated that according to the terms and conditions prescribed in their appointment order, they are all eligible to be absorbed to regular time scale of pay, subject to the availability of vacancies, on completion of two years of contract basis, who have completed five years of service, and they are still working in contract basis for want of regular vacancies. They have been constantly requesting to absorb them into regular time scale of pay. He has, further, stated that in G.O.(Ms).No.32, Health, dated 04.02.2014, 1160 contract Nurses posts are sanctioned for certain schemes. And also, in various Government Orders, 703 posts are already sanctioned for CEMONC centres on contract basis and for strengthening Government hospitals. These 1863 posts are not filled up so far. Hence, he has requested the Government to convert the above Nurses posts initially, into regular time scale of pay which are very essential in nature.

3. The Government have examined the proposal of the Director of Medical and Rural Health Services carefully and independently. The Government have sanctioned number of posts of Nurses under National Rural Health Mission Scheme, from time to time to fulfill the services required for the patients welfare in this State. Hence, the Government have decided to fix the ratio of posts of Nurses between contract Nurses and regular Nurses sanctioned in the Government Order second read above as 2:1 (i.e. two posts in contract basis and one post in regular time scale of pay). Further, in the Government Order third read above, the Government have sanctioned for establishment of 118 new Primary Health Centres in the state under National Rural Health Mission. For these 118 Primary Health Centres, it has been proposed to create 3 posts of Nurses for each Primary Health Centres (3x118=354) and necessary proposal has been placed before the PIP and got its approval. Based on the PIP approval, the proposal has also been placed before the E.C. meeting of National Rural Health Mission and the same has also been approved. Out of these 354 posts, based on the above ratio of 2:1, 118 posts of Nurses to be brought under the regular time scale of pay. The Government accordingly do and hereby direct that 505 posts (387 out of 1160 posts sanctioned in G.O.(Ms) No.32, Health, dated 04.02.2014 and 118 posts out of 354 posts, got approval for 118 Primary Health Centres under National Rural Health Mission) be brought under regular time scale of pay during this year. The details of posts sanctioned to this effect is mentioned in the Annexure I and II of this Government Order.

4. The Government also direct that the ratio of 2:1 (i.e. two posts in Contract Basis and one post in Regular time scale of pay) be fixed for the new posts of Nurses sanctioned under National Health Mission in future from time to time.

5. This order issues with the concurrence of Finance Department vide its U.O.No.3403/FS/P/14, dated 05.09.2014.
