ABSTRACT

State Health Society - Tamil Nadu - Strengthening of Existing Comprehensive Emergency Management Centre in the 14 Government Hospitals with additional power - Orders - Issued.

HEALTH AND FAMILY WELFARE (EAP II-2) DEPARTMENT

G.O. (Ms.) No.268

Dated: 19.11.2013

Thiruvalluvar Aandu - 204-Vijaya, Karthigai 3

Read:

- (i) From the Mission Director, State Health Society, letter No.9400/P4/SHS/2012, dated:17.01.2013, and 27.04.2013.
- (ii) From the Project Director, Tamil Nadu Health System Project letter No.5057/SPC/ Quality/2012, dated:13.06.2013.

ORDER:

The Mission Director, State Health Society, in his letter read above, has stated that the road traffic accident cases and other Emergency cases are lifted from the spot by Emergency Ambulance services and after first aid transported to the appropriate hospitals for admission and treatment. Many of these accident cases suffer from serious injuries like head injuries, chest injuries, major fractures with attendant blood loss. As appropriate hospitals to which these patients are to be transported are sometimes very far off and sometimes the patients become much more serious or lose their life before they reach the hospital. In order to address this issue it is proposed to strengthen accident and emergency services in the hospitals located strategically located in the highways. The strengthening will be in the form of buildings, equipment, staff and training etc. It is proposed to upgrade the following existing 14 accident and emergency care centres from NRHM funds of Rs.761.18 lakhs.
