## Issues to be Sorted Out

- Speedy admission for all cases at Government Hospitals.
- Suggested police out-post at Govt. Hospitals for admitting unaccompanied patients.
- Support/Co-ordination from VHN's to improve Home to PHC/GH utilization. Same has been highlighted during the review meeting with DDHS/JDHS/MO's at the District level.

## Legend:

NA – Not Applicable

\*- Ineffective Calls – Calls falling under the category of No Response call, Wrong call, Nuisance call, Disconnected call, Missed call, General Enquiry call and Silent Call are classified as Ineffective calls. These calls land in the call center and when attended by the Communication Officer it would either be a nuisance call or disconnected call or any one of the categories as mentioned above.

\*\* - Ambulance Busy – Whenever all ambulances closer to the area have been assigned for an emergency case and a new emergency case comes in the same area, the Dispatch Officer will enquire with the caller If he/she can assign an ambulance from the nearby location. The Dispatch Officer will also tell them about the distance ambulance has to travel and approximate time taken to reach the incident location. If the caller is not willing to wait until the specified time then the Dispatch officer will close this case as "Ambulance Busy" after confirming this with the caller.

\*\*\* - Life Saved count is an update that is received on a daily basis after verification of PCR and confirmation after 48-hour follow-up, there will be a change in the numbers reported as they keep on adding to the earlier reported life save count, based on the date cases were handled by the team.
