ORDER:

In the Government Order fourth read above, orders have been issued revising the scoring criteria for engagement of Staff Nurse on contract basis in the health facilities of the Director of Medical Education, Director of Medical and Rural Health Services and Director of Public Health and Preventive Medicine under National Health Mission Programmes through the District Health Society prescribed in the Government Order third read above.

2. In the letter seventh read above, the Mission Director, National Health Mission-Tamil Nadu has stated that in the light of operational experience and feedback received from the field, it has been observed that the existing scoring criteria require revision to ensure a more objective, transparent and merit-based selection process. The
~~~~~~

current scoring framework assigns disproportionate weightage to residence-related criteria at multiple tiers (Health Sub Centre area, Block, adjoining Block, District and other Districts), which has led to implementation complexities and disputes at the District level. Further, the criteria do not adequately reward academic merit across the pre-qualifying examinations (10th Standard and Higher Secondary). The Mission Director, National Health Mission-Tamil Nadu has, therefore, furnished the revised draft Terms of Reference and Scoring Criteria and requested to revise the Terms of Reference and the Scoring Criteria already issued in the Government Order fourth read above for engagement Staff Nurses on contract basis under National Health Mission Programmes through District Health Society in the Government health facilities functioning under the Director of Public Health and Preventive Medicine, Director of Medical and Rural Health Services and Director of Medical Education and Research, through the District Health Societies / Commissioner, Greater Chennai Corporation.

3. The Government, after careful examination, have decided to accept the proposal of the Mission Director, National Health Mission-Tamil Nadu and revise the terms of reference with scoring criteria for engagement of Staff Nurses on Contract basis under National Health Mission Programmes through District Health Society in the Government health facilities as shown in annexure-I and II to this order and order accordingly.

From the Mission Director, National Health Mission-Tamil Nadu, letter No.3864822/P1/NHM/2026, dated 11.09.2026.

~~~~~

ORDER:

The Hon'ble Minister for Health, Medical Education and Family Welfare has made the following announcement (Announcement No.12) in the Floor of the Tamil Nadu Legislative Assembly during the Assembly Session 2026-2027 while moving Demand No.19 on 17.08.2026: -

"தமிழ்நாட்டில் உள்ள அரசு மருத்துவமனைகள் மற்றும் அரசு மருத்துவக் கல்லூரி மருத்துவமனைகளுக்கு, புதியதாக 1,695 செவிலியர் பணியிடங்கள், ரூ.42.72 கோடி மதிப்பீட்டில் உருவாக்கப்படும்."

2. Based on the above announcement, the Mission Director, National Health Mission-Tamil Nadu has sent proposal for placement of 1,695 Staff Nurses at CEmONC Institutions and stated that Tamil Nadu has shown significant progress in reducing maternal mortality. According to the recent Sample Registration System (SRS) Special Bulletin (2022-24), the State's Maternal Mortality Ratio (MMR) has reduced to 25 per 1,00,000 live births. Furthermore, the Sample Registration System (SRS) Statistical Report 2023 indicates that Tamil Nadu has an Infant Mortality Rate (IMR) of 12 per 1,000 live births, which is significantly lower than the national average of 25 per 1,000 live births. This reduction reflects the effectiveness of the State's maternal and child health interventions, including increased institutional deliveries, improved antenatal and postnatal care and strengthened emergency obstetric services. The Comprehensive Emergency Obstetric and Newborn Care (CEmONC) Institutions functioning under the Directorate of Medical and Rural Health Services (DM&RHS) and Directorate of Medical Education and Research (DME&R) manage a high volume of deliveries and high-risk pregnancies. During the year 2025-26, the DM&RHS Institutions have conducted 1,31,732 deliveries and managed 1,85,749 high-risk pregnancies, while
~~~~~

the DME&R Institutions have conducted 1,88,389 deliveries and managed 3,17,426 high-risk pregnancies. Further, 54% of Caesarean Sections in DM&RHS Institutions and 48% in DME&R Institutions were performed in these facilities. The 94 CEmONC Centres under DM&RHS serves as First Referral Units (FRUs) located predominantly in rural, remote coastal, tribal and hilly areas and contribute 36.6% of all Government institutional deliveries and 18.6% of the total deliveries in the State. Adequate availability of Staff Nurses is essential for uninterrupted 24×7 functioning of CEmONC centre, Special Newborn Care Unit (SNCU) and Paediatric Intensive Care Unit (PICU) Services. These units provide critical maternal, neonatal and paediatric emergency care requiring continuous bedside monitoring, timely interventions, infection prevention, medication administration and emergency response.

3. The Mission Director, National Health Mission-Tamil Nadu has further stated that an institution-wise assessment of Staff Nurse requirement has been carried out for all 130 CEmONC Centres and the centres were prioritized into Critical, High and Moderate gap categories with special consideration to hard-reach-centres such as Rameswaram, Vedaranyam, Gudalur, Valparai and Coonoor. He has furnished in detail, the availability of Staff Nurse as well as the requirement of Staff Nurses under the control of DM&RHS and DME&R:-

Sl. No	Institutions	Deliveries (Apr'24-Mar'25	Staff Nurses Available	Staff Nurses Required for CEmONC	Staff Nurses Required for SNCU	Staff Nurses Required for PICU	Total Staff Nurses Required
1	DM&RHS CEmONC Institutions	1,31,732	847	877	140	22	1039
2	DME&R CEmONC Institutions	1,88,389	1,469	378	278	-	656
Total		3,20,121	2,316	1,255	418	22	1,695

4. The Mission Director, National Health Mission-Tamil Nadu has further stated that a proposal for placement of 1,695 Staff Nurses was placed before the Government of India in NHM RoP.2026-2027 under FMR Code HSS.9.185 (8.1.1.2). The total cost for the above activity for three months is Rs.1,067.85 lakh and the same is shared under National Health Mission between the Central and State Governments at the ratio of 60%:40%. The approval given by the Government of India for the above activity was placed in the 51st Executive Committee Meeting of the State Health Society-Tamil Nadu held on 17.07.2026 as agenda No.24/51/NHM/2026 and the Executive Committee has approved the same.

5. The Mission Director, National Health Mission-Tamil Nadu has requested the Government to permit him to engage 1,695 Staff Nurses at CEmONC Institutions as per NHM norms on contract basis through concerned District Health Societies with a monthly remuneration of Rs.21,000/- per month by utilizing the funds approved in NHM RoP 2026-27 under FMR Code: HSS.9.185 (8.1.1.2) and to rationalize / decentralize the Staff Nurses among the CEmONC Institutions based on need.

6. The Government, after careful examination, have accorded necessary permission to the Mission Director, National Health Mission-Tamil Nadu as follows: -

i) The Mission Director, National Health Mission-Tamil Nadu is permitted to engage 1,695 Staff Nurses at CEmONC Institutions as per NHM norms on contract basis through concerned District Health Societies with a monthly remuneration of Rs.21,000/- per month by utilizing the funds approved in NHM RoP 2026-27 under FMR Code: HSS.9.185 (8.1.1.2) to the Institution-wise engagement of Staff Nurses under Directorate of Medical and Rural Health Services and Directorate of Medical Education and Research are given in Annexure-I and Annexure-II along with this order.

ii) The Mission Director, National Health Mission-Tamil Nadu is permitted to rationalize / decentralize the Staff Nurses among the CEmoNC Institutions based on need.

7. This order issues with the concurrence of the Finance Department vide e.file.No11823/2026, dated: 07.10.2026.
