

NATIONAL HEALTH MISSION - TAMIL NADU

From

Dr.Darez Ahamed , IAS.,
Project Director, Reproductive & Child Health,
Mission Director, NHM -TN & Ex-Officio
Commissioner of Trauma Care,
No. 359, Anna Salai,DMS Annex Building,
Teynampet, Chennai – 600 006.

To

1. The Project Director, Tamil Nadu Health System Reform Project, Chennai-6
2. The Director of Medical Education
Kilpauk , Chennai -10
3. The Director of Medical and Rural Health Services, Chennai -6

Ref.No.6326 /P-1 /2011 / NHM, Dated : 16.3.2022

Sir / Madam,

Sub: NHM - TN – Maternal Health – JSSK- drop back services through 102 Call centre in coordination with GVK EMRI – Certain instructions to Nodal Officer at CEmONC centre - Adherence – Requested -reg.

Ref 1. Stakeholders Meeting on 5.3.2022 at TNHSRP
2. Zoom interaction with Nodal Officer, CEmONC centre towards JSSK drop back services on 15.3.2022

In order to strengthen the Health services and to achieve the goals and targets committed under NHM and SDG, GOI has introduced the scheme namely **Janani Sishu Suraksha Karykaram (JSSK)**, a national initiative to guarantee **Zero expense deliveries** and **Zero expenditure treatment** of sick new born in Public Health institution along with the provision of free transport.

Hence as per the direction of the GOI, the government orders (GO.(Ms) No.220, Health and Family Welfare (EAP-II(2)) Department dated 10.9.2011) were obtained by National Health Mission , Tamil Nadu with the following guidelines regarding the pickup / drop / referral services as detailed below:

- Ensure universal reach of the referral transport (no area left uncovered) with 24 x 7 referral services.
- State is free to use any suitable model of transportation e.g. Government Ambulances, EMRI, referral transport PPP model etc.,
- Establish call centre(s) with a **single toll free number**, at District or State Level

- May provide Ambulances/vehicles with GPS, for effective tracking and management.
- Establish linkages for the inaccessible areas (hilly terrain, flooded or tribal areas etc.,) to the Road head/pick up points.
- Widely publicise the free and assured referral transport through print and electronic media.
- Monitor and supervise services at all level, including utilization of the each vehicle and number of cases transported.

It was observed that the performance of JSSK drop back in DME and DMS institution has been not up to the expected level due to various reasons.

Subsequent to the reference cited and in order to improve the performance of JSSK drop back services and to utilise the Vehicles to the maximum by increasing the trips, the following strategies have been framed.

1. Counselling at the time of Antenatal visit, admission and at the time of discharge to be ensured by all Staff at the CEmONC centre.
2. IEC to be displayed at following places at the hospital
 - ✓ Antenatal ward
 - ✓ Postnatal ward
 - ✓ Casualty
 - ✓ OPD
3. Tentative discharge have to be planned in the hospital the day before the discharge. Discharge summary to be prepared early so as to discharge the mothers before 12 Noon by OG Assistant.
4. Number of trips may be increased with the available JSSK drop back vehicle to improve the performance of the drop back service.
 - ✓ No of mothers per trip should not be less than 5 mothers.
 - ✓ At least two trips to be planned in a day.
5. Nominations of Nodal officer from each of the CEmONC centre has been obtained as per the Annexure-IV to oversee the implementation of the JSSK programme so as to ensure the drop back services of the mother.

- ✓ DME institution- The Nodal Officer from the CEmONC centre and the Matron at the Medical College Hospital should be responsible for ensuring drop back services to the mother
 - ✓ DMS institution – The Nodal Officer from the CEmONC centre and the Nursing Superintendent should be responsible for ensuring drop back services to the Mother.
6. The **“Consent form”** for drop back services as per Annexure-1 to be obtained from **all mothers** including **those not willing to avail** JSSK drop back service.
 7. Reasons for not availing the services must also be documented in the “Consent form”.
 8. The “Consent form” obtained from the mother has to be attached to each of the case sheet.
 9. The LaQshya Case sheet has the option of informing the Mother about the drop back services and the same also to be ensured.
 10. The Nodal Officer and the matron to ensure that Staff nurse in the PN ward share the details of Mothers to be discharged on the previous day of discharge as per the Annexure-II to District Co-ordinator GVK EMRI.
The contact details of District Coordinator is enclosed as Annexure III.
 11. The District Coordinator GVK EMRI will map the route and instruct the drivers based on the location of mothers to be dropped. The 102 Call centre will call all the Mothers in the due list of drop back and will ensure that the mothers are dropped back at their home based on their convenience.

The Project Director, Tamil Nadu Health System Reform Project is requested to instruct the State Head of Operations, GVK Emergency Management & Research Institute, to ensure that the District Coordinator GVK EMRI at the District level maps the route for the JSSk vehicle drivers for effective drop back services.

The Director of Medical Education and the Director of Medical and Rural Health Services to instruct the Dean / JDHS / Chief District Obstetrician / Chief Medical Officer to ensure that the above guidelines are followed scrupulously to ensure effective drop back services to the mother.

For Mission Director

Enclosure -

Annexure I- Consent Form

Annexure -II - Format to be shared to District Coordinator GVK EMRI , Annexure

-III - Contact Details of District Coordinator

Annexure IV- Details of the Nodal Officer for JSSK
