Rc.No.7798/P9/NHM/2021, 09-10-2023

Sir/Madam,

Sub: NHM - TN-NQAS-Re-appropriation of unutilised funds under Quality Assurance Heads towards the cost of National Assessment-Instructions Issued.

As you are aware, Government of India schedules National Assessments as to be taken up across the States for providing Quality Assurance Certifications. In pursuance of the standing directions of Government of India, the cost of travel, Honorarium, Boarding & Lodging, Local Transport etc., entitled to the External Assessors have to be borne by NHM-TN.

While initiating process towards releasing funds to the aforesaid component, it is observed that sufficient funds under Quality Assurance Head disbursed in SNA are found available in all Districts and that the unspent funds should be utilized for the purpose.

As the National Assessment should not be affected, I request all JDHS and DDHS to utilize the available funds under Quality Assurance Heads towards the expenditures mentioned in paragraph one above as admissible after following the accounts formalities pertaining to such re-appropriation procedures.

The vis-à-vis details of unutilized funds and the Districts concerned, as on October 4th, 2023 are given in the Annexure enclosed.

Kindly expedite early action and facilitate the National Assessment completion process without interruption.

Encl: Annexure.
